

REGIONAL GROUP NEWS

Our July meeting was held on the 16th at Gowin Farms near Dalton, Georgia. There was a large turnout of club members and their cars to enjoy for the covered dish meal at the picnic area. Several people also chose to join the club at this meeting. Discussion was held about the possibility of hosting a National Meet next year in Chattanooga, if possible.

Some preliminary work has been done by some of the members to check on the feasibility of this idea.

Everyone was reminded of the Grand National Meet in Atlanta in August and of our upcoming mall shows.

Our next meeting is to be August 29th with the time and place to be announced.

Mickey Davis, Secretary

Several visitors were present, both local and out of town for our July 27th membership meeting.

Our Christmas Banquet will be at the Ramada Inn, December 8th with precise time to be determined later.

A decision will be made after the Christmas dinner as to what charitable organizations our club will donate money to.

A convoy to Atlanta for the Grand National will depart from Anderson Ford at 6 A.M., Friday, August 25th. Breakfast will be at Shoney's in Knoxville. Rogersville, Knoxville and Chattanooga groups will join the Caravan enroute.

Motion made and passed to pay Marshall Spears \$100 for expenses he incurred in conjunction with Eastern National. A vote was taken on whether to have an Eastern National in Kingsport next year. Membership vote was "no" with several saying other regional groups should have this opportunity.

Max Epps and Roy Sexton had some information on club caps in red, white and blue colors. Roy's source had less cost per cap and the club decided to buy two dozen for sale to members. Max has Mustang patches available for these caps.

Judges are needed for Grand National and volunteers were asked for.

Regional groups are being formed at a rapid pace. Eastern National provided a stimulus for their growth. Bob Murphy from Knoxville was present. Formation of a regional group in Knoxville being spearheaded by Bob is progressing well.

There has been some confusion about the room costs in Atlanta. This has been cleared up and the price is \$25.00 per room.

Mustang News had good coverage on Eastern National with more to come in the next issue.

Overall colored picture of Eastern National show was shown and several were ordered by members.

Forthcoming Grand National was discussed at length and members were urged to get orders in for banquet tickets and car entries.

Next meeting of First Tennessee Regional Group will be August 24, 8 p.m., Anderson Ford.
