

## FROM OUR PRESIDENT

I would like to start off this month by noting that this is the largest issue yet of The Mustang Times ever published. 28 pages! Also, you will notice we have dispensed, this month only, with the Question of the Month, Car of the Month and the technical page to allow us additional room for more coverage of Atlanta '78.

Atlanta '78 was by far our best and biggest show to date and I would like to personally thank all of the entrants, spectators, vendors, judges, workers and all connected in making this show such an outstanding success. I can not go any farther without mentioning some special people who deserve extra credit for putting on this show: Wally & Lee Greenfield, Jane & Bill Hatfield, Linda & Denny Arrington, A.W. & Gayle Amans, Barbara & Bill Koviuu and their children, Phyllis & Jack McCall, Betty, Jack & Ken Yeager, George White, Tom Gaddis, Peggy & Jack Huff, Max Epps and to my family, Sue, Mark & David. A special thank you to Ford Motor Company for allowing Mr. Tom Case from their Fleet Leasing Office in Michigan to join us during our banquet to enlighten us on the history of the Mustang and to advise some of the features of the 1979 Mustang.

Little will some of you realize the hours these folks spent making this show possible.

I would also like to thank each and every sponsor who purchased trophies. This year, we were able to sell over \$2,000 of trophies. In next month's issue will be a listing of those people who sponsored this show and without the backing of these sponsors we could not have been so successful. Remember, they didn't have to do it. Another "thank you" to those who supplied us with such fine door prizes. Altogether we had approximately 100 door prizes and we are very grateful for these contributors.

Last, but not least, a very special "thank you" to the Northlake Mall and the Quality Inn at Presidential Park for their co-operation and hospitality in making this show a fantastic experience.

## UPCOMING EVENTS

12th Annual Hoosier Auto Show & Swap Meet on the Infield of the Indianapolis Motor Speedway. 3 days. Sept. 15-16-17, 1978. 2 classes for Mustangs: 1965-73 open and closed. (This could be expanded to coupe, convertible, and fastback if enough cars of each are entered.) One class for Shelby American Cars. Swap Meet all 3 days. Car Show on Saturday. Cars may be entered either for judging or exhibition and ALL cars entered can be driven on the "500" Track. For more information or entry form contact:
