New Registry

A new technical information service for owners of 1971 Boss 351 Mustangs is being started by John Stastny (MCA# 16997).

John is currently the test administrator for MCA's 1971-'73 judges certification program and has been a Gold Card Judge in this class for the past six years.

This new service, Boss-Tech, will not only provide technical information for MCA concours classes, but can also be used to get basic information about proper parts, date codes, engineering numbers, special equipment and options that were unique to this year and model

car. A worldwide registry service is also being provided. For more information you can contact John Stastny in the evenings between 7-9 p.m. during the week, or by writing John at 1530 11th Street; Fennimore, WI 53809.
