

At Last!!!

At the Mustang Club of America we appreciate and are grateful for each and every member we have in our organization. Occasionally, however, with the volumes of paperwork that go into running such a club and producing a monthly publication, a name or two may fall through the cracks. Such is the case with the names listed below which were inadvertently omitted from the new members listing in the magazine. We apologize for the oversight ---

Al Gallegos of Albuquerque, New Mexico

Willie McGhee of Jamaica, New York

Hans Vemeulen from the Netherlands

Michael Parris (city not listed)

A Bargain Hunter

MCA has a special package deal available for those individuals who are interested in a long-term relationship with the organization. By paying for four years up front you receive a fifth year free! Taking advantage of this offer means you no longer have to wonder if your membership is current or fool with those pesky renewal notices.

The first enthusiast to take advantage of this is R.W. (Starsky) Nitz of Enterprise, Kansas. Obviously Starsky knows a good deal when he sees one.

If you'd like more information on this package deal, contact MCA headquarters at (770) 477-1965 weekdays between 10 a.m. and 5 p.m. Eastern.

Pen and Paper

Back in September we received a letter from a young lady who is interested in obtaining a pen pal.

She requested that we publish the following letter --

Dear Readers,

I'm searching for a pen pal. I'm 13 years old and go to Milton Middle School in Wisconsin. I like reading, writing, and science. I have a Samoyed husky named Chelsea. My dad has a 1967 Mustang convertible. It's blue in color. I have a trampoline.

Thank you,
Dee Groesche

If anyone is interested in corresponding with this up-and-coming Mustang owner, contact us at *Mustang Times* and we'll be glad to supply Dee's address.

Surfin' the 'Net

Response to the MCA Web Site on the Internet has been tremendous. At the last Board of Directors meeting Jean Penn, who along with husband Jack has spearheaded this project, provided the following statistics:

10/6/96 -- 1,169 people accessed the MCA home page.

10/7/97 -- another 1,410 people accessed the home page.

Thirty-eight persons accessed the membership application. Inquiries from the two days came from all over the world.

Living Legend

Ford Motor Company recently presented MCA with the Living Legend Award in recognition of its 20 years in the hobby and for continued support for the Ford Mustang and its history.

Mustang Museum

We are very pleased to announce that MCA is the first Founding Sponsor of Mustang Museum. The Club's name will be

permanently displayed in a place of honor in the Museum on the Founding Sponsors Wall. Following suit are *Mustang Times* advertisers National Parts Depot and Mustangs Unlimited.

A Founding Clubs' Sponsor Program has also been started. By making a tax-free donation of \$500, clubs will receive a certificate of appreciation and their name will be included in the Founding Club's Wall of Fame. This prestigious program is limited to the first 200 clubs.

A good way for individual enthusiasts to participate is via the I Support Mustang Museum Decal Campaign. If you would like to show your support for this endeavor and be included on a mailing list for future updates, send \$5.00 to Mustang Museum Decal, c/o Penpoint, 432 Lakeshore St., Jasper, GA 30143.

Top That!

Members of the Carolina Regional Mustang Club recently announced the group's intention to donate \$5,000 to Mustang Museum entitling them to a permanent place of recognition on the Founding Sponsor's Wall.

Furthermore, officers of the group have issued a challenge to other regional clubs to match their donation (and enthusiasm).
