## Museums, Judges Meetings, and the 20th

Kansas City was great! It was my first time attending one of their shows, and we had a fabulous time. This is a club with great in-group relations. I don't recall his name, but the club member who was supervising the cooking at the show site was the happiest volunteer worker I ever saw.

We may not have had the best weather for some of our show's this year, but I must say, I have seen more enthusiastic people working these shows than I ever remember seeing before - and I mean this.

To all 1997 Show hosts...you've got a lot of work ahead of your to equal, or better, our 1996 successes...Pensacola, FL; Matthews, NC; Bloomington-Normal, IL; and Kansas City. I know as you read this, you are back home from the 20th Anniversary Celebration in Atlanta. I hope your trip was safe and exciting.

Be sure to take notice of the East and West Judges Meetings taking place in October and November. See page 14-15 of this issue for all the details.

If you have not done so, please purchase your \$5.00 museum decal. You need to get in the data base as there are some exciting things coming in the near future. Presently, there is a "Founding Sponsor" award available for a minimum of \$5,000. Shortly, an announcement is going to be made for a "Founding Mustang Club" sponsorship. Regional Groups, start saving your money. The Mustang Club of America is the #1 founding sponsor and will be receiving a plaque for that sponsorship. We should all feel proud of this distinction.

Hope I saw you at the 20th Anniversary Celebration.

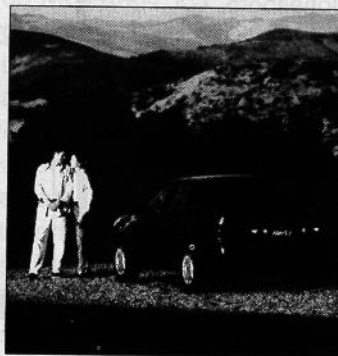

## From The Publisher

As many of you know by now, my name is Tony Garcia and I was appointed publisher of *Mustang Times* effective January of this year. I have enjoyed this assignment so far. My primary goal is to be sure you, the members of the Mustang Club of America, receive an enjoyable, informative, and entertaining magazine.

I am aware that this publication is a very big part of your membership to the MCA, and that's why I want to hear from you. Please take a minute and jot down what you like and dislike about *Mustang Times*. What would you like to see more of...or less of? What are your feelings on early vs. late models? What about the cover cars? Are there too many pictures, or too few tech articles?

I can't promise that I can do everything each member wants, but every letter will be discussed by the publishing committee and action taken when possible. Please send your letters to the MCA Headquarters address, attention Tony Garcia. You can also send me E-Mail at [tjgar@america.net](mailto:tjgar@america.net).
