

Northwest Mustangers Draw Over 1200 cars!

Bob and Rochelle McNeal heard about a big show coming to Bellevue, Washington. As two of the MCA's best emissaries, this Florida couple hopped on a plane (no it wasn't a pink Playboy plane) and headed to the great northwest. Aside from the scenery that you just know knocked out these folks from the flat lands, they were also dazzled by the turnout for this event. The Northwest Mustangers were able to bring out over 1200 Mustangs and other Ford cars. The McNeals got us plenty of photos and info on this show, so be sure to watch for coverage of it in next month's issue. - RJ
