

Mustang excitement can be found all over the world as evidenced by the photo of this **Cobra II** sent in with a membership renewal for **Erich Behr** of Wiesbaden-Delkenheim. Although we have no statistical information we dare to guess that the engine has been highly modified based on the abundance of chrome goodies peaking out from under the hood.

To have a photo of your pride and joy featured in Snapshots, send us a clear, well-focused print (preferably black and white, but color will do) along with statistical information such as name, city, and state,

and a brief description of your Mustang. Be sure to include your MCA membership number.

If you would like your photo returned, please include a self-addressed, stamped envelope.
