

Part Searching Made Easy

Vintage Parts 411 produces a line of books of places to find parts for specific old cars and trucks. After two and a half years of research, the company painstakingly arranged thousands of parts and their sources into highly organized 100-page books for GM and Ford products. Different sections for different part categories (body, interior, engine, etc.), literature, parts restoration services, salvage yards, and clubs make it easy to find almost anything for particular makes of older vehicles. Available now from Vintage Parts 411 is "Just About Every Place to Find Just About Every Part for Your Old Mustang and Mercury Cougar." Also available are books on Ford trucks and full size Fords such (Model A through Fairlane). The company plans to produce books for other older autos and trucks in upcoming months.

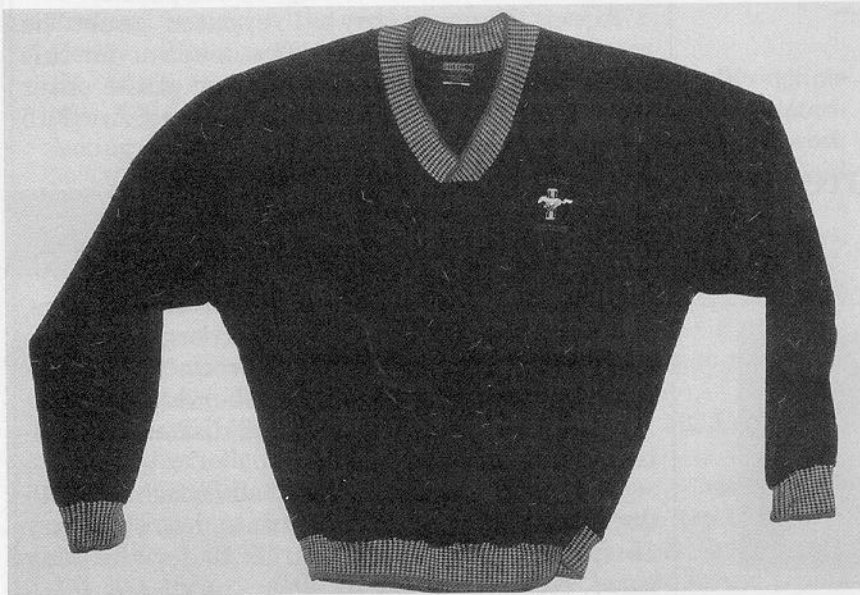

The price of the book is only \$14.75 plus \$2.50 shipping and handling for the first book and \$1.00 for any additional books (tax is required for California residents). Call (800) MOTORHEAD for more information or write to Vintage Parts 411, 4909 Ruffner St., San Diego, CA 92111.
