Performance Version

Step Version

NEW CLASSIC SIDE EXHAUST FOR TRUCKS
Now available for full-size Ford pickups. Performance or step version.

COBRA EMBLEM

Silver Cobra emblem floats in opening for a striking appearance. Easy to install.

Aero Shield Painted Solid To Match OR GT Blackout

The **CLASSIC AERO SHIELD** compliments the Classic Side Exhaust System for ground hugging looks, aerodynamic styling and performance options that turn the Mustang into an awesome street machine.

NEW TAILLIGHT SEQUENCER
Turn signal sequences toward outside. Really unique. Plug-in, easy to install. Specify '94-'95 or '96-'97 version. '96 retro fit taillights also available.

Classic

PERFORMANCE

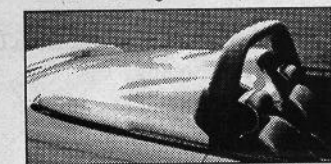

Other Parts Shown Above Or Sold By Classic:

- Classic Side Exhaust
- Classic Light Bar For '84-'93, '94-Current
- Boss Graphics Package
- Raised Carbon Fiber Hood
