

This **unrestored 1971 Mach 1**, being judged at the Rooty Hill N.S.W. 1998 National Concours, is owned by **John and Pauline Binge of Queensland, Australia.**

Equipment on this five-time Thoroughbred Class national champion includes the **Ram Air version of the 351 4V** and a heavy-duty **C-6 automatic transmission.** John has been restoring Mustangs as a hobby for nearly 20 years.

Mike and Terese Comar of Bennington, Vermont, are the proud owners of this **1997 GT convertible.** Highlights of the **Laser Red ragtop** include the **4.6L 2V SOHC engine** coupled with a **five-speed transmission, saddle convertible top,** and **saddle leather seating.** The couple plans to keep the beauty in stock condition for some time.

Richard Taylor of Oregon, Illinois, became the second owner of this **1964 1/2 Wimbledon White hardtop** in October 1997. Equipment on the first generation car includes **260 V8 power plant** coupled with a **C-4 automatic transmission, black standard interior, power steering,** and **wire wheel covers.**
