LETTERS TO THE EDITOR

Dear Editor:

Mustang Times choice for "Car of the Month" for November was not the best example of the classic Mustang.

I consider the publication of the article and pictures on this 1969 Mustang to be a personal affront to all avid collectors and restorers of the Mustang.

There are many other fine magazines such as "Car Craft" and "Hot Rod Monthly" that feature this type car.

Too many of these beautiful "Pony" cars have had their appearance ruined by the addition of hood scoops, wide tires, mag wheels, side pipes, traction bars, long spring shackles and other non-original items.

I hope future issues of your magazine will honor Mustangs who are pure-bred.

Respectfully,
Jim Fears #1548
