BULLETIN - Robie Ford's 427" SS/B Fairlane turns 11.4 second week out. Look us up at all the major meets in Division 1 and all the national meets throughout the country.

WRITE US . . . for a new press kit featuring the highlights of the Robie Power Center with a special section on the Robie 427" Fairlane, "Hemi-Hunter."

IF ITS FOR FORD

We've GOT it . . .

A speed shop featuring all those hard to get Ford high performance items from Dual Point Distributors to complete 289 and 427 Engine assemblies.

We'll GET it . . .

Specializing in Ford, we pride ourselves in bending over backwards to help our customers. If you want to go fast and can't get the parts, call us, we'll get it.

We'll BUILD it . . .

Whether street or strip, oval track or corner bending, we have complete facilities and experience to prepare your race car. Our modern racing-minded plant is geared to everybody's needs.
