

APRIL CAR OF THE MONTH

CAR OF THE MONTH:

1967 CONVERTIBLE

OWNED BY:

John W. Gowin
Rocky Face, Georgia

Our 1967 convertible was purchased from a used car lot in Dalton, Georgia in 1975. The purchase price was \$1,050.00 and the car was in good condition at that time with only minor items needing attention. However, since then, the car has been gone over extensively.

The first show entered was the Eastern National Meet at Kingsport where a third place trophy was taken. This was prior to any detailing to speak of. The next appearance was at the Grand National Meet at Northlake Mall in Atlanta, and fortunately a first place was awarded. The only other entry was at the Scenic City Regional Private Meet and another first place was awarded.

Many hours have been put into the car and competing in the shows is very informative and rewarding.

The car features:

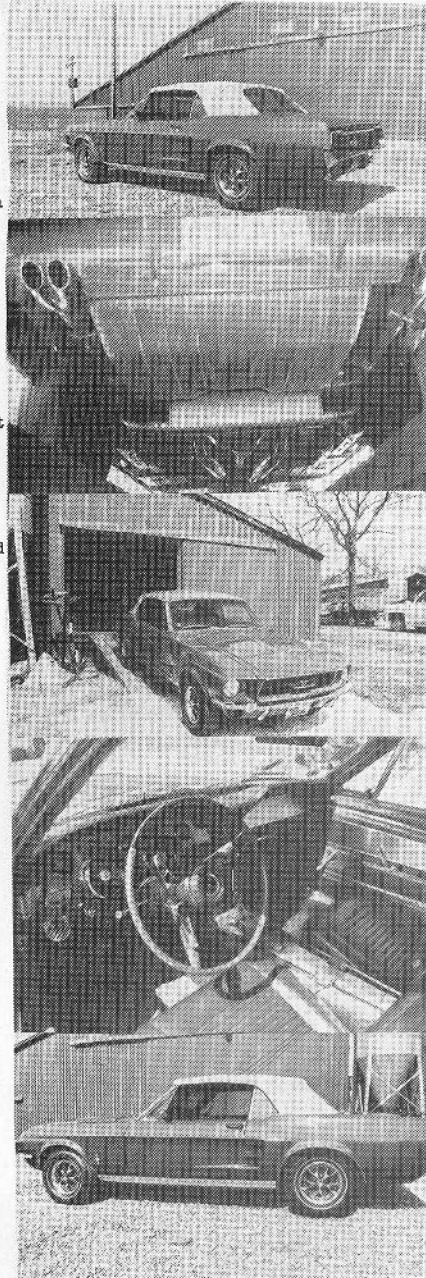

Engine - 390 - 4V - 320 H.P.
