

REGIONAL GROUP NEWS

Meeting was called to order by President, Charlie Carey.

Mr. Jerry Arnold was welcomed to our group.

Several members had departed for Chattanooga show earlier today. Approximately 10 or 11 will leave Anderson Ford at 8 a.m. led by Wagon Master, Sid Miller. We are to meet the Knoxville group at 10 a.m. at Shoney's and then continue to the Choo Choo City.

Dick McClellan has made arrangements with the Kingsport Mall for an indoor show. We will display about 15 cars from July 12 through the 15th.

Reports of the Knoxville trip, April 29, was very pleasing. Those who attended really enjoyed the outing except when Don Wolfe got everyone lost on the return trim.

Next outing will be June 24th at Linville Falls, North Carolina.

Due to the Eastern National Event, our meeting was adjourned early.

Next scheduled meeting will be 8 p.m. June 28th, at Anderson Ford.

TREASURE STATE MUSTANG CLUB

The May meeting of the Treasure State Mustang Club was not held as a picnic was planned and the weather was most un-cooperating. The Board of Directors, however, did meet later in May and planned an outing for June.

The June meeting was held on June 3rd. Several members met at the Eastside Bank parking lot and toured to Lee Cigler's home for the meeting and a barbeque. Prospective new members were introduced. They were Carl & Helen Gocksch, Mark & Helen Eyers, and Russ & Eileen Rose. Before the day ended, these people agreed to join the club and we all welcomed them. Plans were made for the club's participation in the Great Falls Auto Classic on June 9 & 10. The club will be given space to show about 10 cars in a non-judged area for the purpose of gaining new members and providing people with information about the Treasure State Mustang Club. The area will be covered by club members at all times.

The club has also been invited to participate in the Fun Days at Dutton. This will be held on June 14th. A parade and car show will be followed by a barbeque. For more information, contact any club officer.

Samples of the jackets chosen by the club were shown and members were asked to bring jackets to the next meeting to be silkscreened.

The meeting was then adjourned. Members then were able to view club president, Lee Cigler's two show cars. Congratulations to Lee on the fine work on both cars. His white 1965 convertible was a recent winner at the show in Bozeman. The club wishes Lee continued success, especially in the Great Falls Auto Classic.

A picnic and swap session followed. The day was enjoyable for all who attended and we look forward to more activities as the summer progresses.

INDY MUSTANGS

The May meeting was very interesting and had a large turnout.

Thanks to Foxworthy Ford, who rented extra chairs for our guests, many of whom will become members.

President, "Bub" Sexton conducted the usual business at hand. More logo drawings for Indy Mustangs were turned in and it was decided in 60 days we would vote on a winner. Enthusiasm is building and it will be a hard decision.

Indy Mustangs were glad to welcome Tom Noppenberger from Indianapolis Ford Motor Company. He gave us more details about the "500" Parade, using our classic Mustangs. Tom was very informative and we are happy to be a part of these activities in the month of May at Indy. Thanks Tom and Ford Motor Company.

We welcome guests to our club meetings on the first Wednesday of each month or for more information call 545-8051 or 846-4628.

Have a Happy Day!

1st PENNSYLVANIA REGIONAL GROUP

The May meeting of the 1st Pennsylvania Regional Group of the Mustang Club of America met on Sunday, May 6, 1979, at Macungie Memorial Hall, Macungie, Pa. Thirty-eight people were present.

The meeting was called to order by our president, Bill Manson. Secretary, Isable Lenny read the minutes and Jody Gilchrist, Treasurer, submitted our treasurer's report.

The discussion of old business included future meeting places. Our main objective is to find a place that is rent-free and convenient to everyone. Jack Quay reminded us we would have summer meetings at various car shows. Isable Lenny and Bill Manson reported they had investigated the Whitehall Mall as a possible meeting place and the Quakertown YMCA. Ed Lenny suggested we move the meetings around to different areas so that each month it would be more convenient to a different group of people even though he felt it would be better to have one specific meeting place.

Bill Manson informed us that Alec Karacsonye, the Eastern Regional Director of the national organization, planned to be our guest at our next meeting to help us organize. Alec informed Bill we must also have a vice-president and elections are planned for our next meeting. So be there!

Our by-laws for our regional group are the same as the by-laws found in the back of the national roster of the Mustang Club of America.

Bill Manson next discussed the New Hope Show and the Macungie Das Awkscht Fescht. Bill Bolman, Chairman for the Macungie Show, said we have room for approximately 50 cars. This show is primarily for members of our regional group. However, anyone wishing to register a Mustang and show it may do so.

The New Hope Show is held the weekend after Macungie, on Sunday, August 12th. New Hope will only accept 1965-1966 Mustangs, but Bill Manson will get in touch with them and try to change this to include 1967 and 1968.

Roberta Witbeck asked if we would get a logo for our group. Bill Manson said he'd look into it.

Bill Bollman mentioned having an educational program at our meetings which would help stimulate more interest.

Fred and Sue Glazier offered their home for next month's meeting.

Bill Manson moved to adjourn the meeting and Isable Lenny seconded the motion.

Welcome to our new members:

Tom Przybek, Bob Jones, Forrest and Florence Gearhart, Robert DePue Brown, Clifford and Barbara Zimmerman, Harvey Scherzer, Dean Karrash, Diane L. Miller, Thomas and Berthat Ziegler, Dennis and Sandra Seibert, Helen Lang, Richard and June Matthews and James and Joanne McKelvie.

NORTHWEST OHIO REGIONAL GROUP

No regular monthly meeting was planned for May since several couples planned to attend the Eastern National Meet in Chattanooga.

Four members entered cars for judging in Chattanooga: Brian Joseph, Columbus, Ohio; Toby Gorny, Bryan, Ohio; Larry Graser, Oregon, Ohio and Hugh Black, Bucyrus, Ohio.

Out of the four cars entered, two won trophies! Toby Gorny won first place with his 1973 Grande and Larry Graser second place with his 1973 convertible.

We felt our Club did very well in Chattanooga considering we drove all day in the rain to get there and then had to compete against trailered cars! Let's get these trailered cars in a separate class so this is a fair competition!

The Scenic Region did a fantastic job of hosting the Chattanooga meet and we really enjoyed meeting members from other clubs and especially the national officers.

Our club is planning an outing for June. We will be going to Dayton, Ohio to visit "Mr. Mustang", Carl Pendley. The fellas are looking forward to this!

Jean Black, Secretary

VOLUNTEER REGIONAL GROUP

The May 17th meeting was short and sweet. Everyone was making plans and last minute changes for the Chattanooga Show.

All remaining questions about the show and flea market were answered and everything put into order.

REGIONAL GROUP NEWS

The vote on a new meeting place was postponed until the June meeting when it could be discussed in more detail.

All the details concerning the display at McNeely-Whaley Ford in Sevierville were given and it should be a great showing. All members are urged to get their cars ready and in Sevierville on Thursday night, May 31, 1979. For all interested persons, the display will be June 1 through June 3, 1979.

The meeting was then adjourned so all could get themselves and their cars ready for the Chattanooga show.

Also everyone thoroughly enjoyed the run with Kingsport and are looking forward to doing it again soon.

Carol Pearson, Secretary

The May meeting of The Mustang Owners Club of South Eastern Michigan was held on May 8th. At the meeting Manuel Bagnaschi passed out flyers for our upcoming Macomb Mall Show to be held June 7-10. The show will be indoors with 4 trophies being awarded: Best of Show, 1st place, 2nd place and 3rd place.

We, the Mustang Owners Club of S.E. Michigan would like to give Manuel and Lois Bagnaschi a special thanks for all of the many hours they have put into this show. Without them, it wouldn't have happened.

Also at our meeting, we had a special guest, Mr. Russ Thomas, from the DuPont Paint Company. He showed two films dealing with how to prepare your car for painting. After the films, he answered many questions during a "questions and answers period."

Boxes of candy were distributed for members to sell. Each person was asked to take a box of 24 chocolate bars. This should be a good fund raiser for our club.

Gini Scherer, show chairperson, passed out entry forms for the Carnival of Cars to be held on June 10th. Our club will show as a group and represent the Mustang Club of America. There will be judging and trophies will be awarded. Carnival of Cars is an annual car show held at the

Ford Proving Grounds in Utica, Michigan. It is open to all types of antique and special interest cars.

GULF COAST REGIONAL MUSTANG CLUB

The third meeting of the Gulf Coast Regional Mustang Club was held May 13, 1979. Jim Yancey, our elected president, was transferred to Texas on May 1, so Bob McNeal took over the position of President and Johnny Campbell became Vice President.

Discussion was held on ordering shirts for our members, getting publicity and sponsorship through radio, television, and the two Ford dealers here in town. We also talked quite a bit about having car shows at the malls.

About 4 members said they were going to the show in Chattanooga, and at the next meeting on June 10, Bob hopes to organize a large group of us to caravan up to Atlanta at the end of August.

The week of May 21-26, about 13 of our Mustangs are to be displayed in Cordova Mall in conjunction with Key Ford's "Mustang Madness Sale". We hope to attract a lot of people to our club through the week because we have planned committees to sit with the cars from 9a.m. to 9p.m. each day in order to answer any questions people may have.

On behalf of all of our members, I would like to thank Key Ford for promoting this and backing us up.

The first meeting of the National Capital Regional Mustang Club (NCRMC) was called to order at 5:00 p.m., April 12, 1979, at the office of Pony and Corral Mustang Parts, Oxon Hill, Maryland. The five National MCA members present were: Wayne Kvasnicka, Al Steward, Phil Richey, Bill Ross, Sr., and Bill Ross, Jr. It was decided that we would comprise five of the eight Board of Directors. Three more will be appointed as we get new members. We also elected officers as follows: W. Kvasnicka, President; A. Steward, 1st Vice President and member MCA Board of Directors; B. Ross, Sr., 2nd Vice President; P. Richey, Treasurer; and B. Ross, Jr., Secretary.

We reviewed the MCA By-Laws, and regional group information. These will be used as a basis for developing our club.

Dues were established at 75¢ per month (\$9.00 per year) with membership expiring December 31, each year. W. Kvasnicka was the first to pay dues to the NCRMC, the rest of us were quick to follow. Some of the dues money will be used to send applications to prospective candidates for membership in our group.

There was some discussion on having a rally this summer as our first event; this will be decided at our next meeting in June.
