64-66 Mustang steel patch panels

These panels have been developed from years of experience in rearing sports and special interest autos in our own shop. We specialize in the re-creation of special sheet metal parts for special applications. We're developing a complete selection of underbody parts for early Mustang as well as other cars such as BMW 2002, Porsche, and others. We will be introducing many new Mustang body parts in the near future.

mustang floors!

These floors are manufactured in our own shops. Seat holes and clearance holes are stamped out. Be original.
