JUNE QUESTION OF THE MONTH:

PRIOR TO FORD MOTOR COMPANY'S INTRODUCTION OF THE MUSTANG IN 1964, WHAT MOTORIZED VEHICLE HAD THE NAME "MUSTANG?"

FROM OUR PRESIDENT

I'd like to start off this month by giving my vote of thanks to The Scenic City Regional Group for their outstanding efforts in presenting us with an unforgettable Eastern National. I personally know of all the hard work and many hours of time spent and the entire club membership owes them a great deal of gratitude.

Our first Model Contest for our younger members was quite successful and we will look for many new entries for Atlanta. Enclosed in this issue is an entry form just for the model competition (see pg.24) for details).

Here at National Headquarters, we are all gearing up for The Grand National to be held at Perimeter Mall on August 24-26th, 1979, with our headquarters being at The Marriott at Perimeter Center (just across the street). Now is the time to make those reservations (404) 394-6500 and be certain to mention The Mustang Club to qualify for special rates. The banquet again this year will be on Saturday night at 7:30p.m. at the Marriott with prices being adults \$9.50 and children under 12 \$7.00. Again this year, we will have our famous "Friday Night Cookout" (FREE!!!). We are hoping to be able to provide you with some entertainment.

You will notice on the entry form on page 10 that all pre-entries received by August 15th will receive one FREE special T-shirt with the option to buy a second one for \$5.00. This is the only way you will be able to have this special shirt as it is being limited to the pre-entries only. (THERE WILL BE NONE FOR SALE AT THE MEET!)

We ask that all of you please help the judges by bringing your car through the inspection stations as soon as you arrive at the Perimeter Mall.

Next month we will have a complete breakdown of events and starting and closing times.

I would like to welcome two new regional groups this month. They are:

Mile-Hi Mustangs
c/o Gordon Campbell
5189 South Williams Drive
Littleton, Colorado 80121

Central Illinois Regional Chapter
c/o Bob Stelbrink
825 Haynes Drive
Decatur, Illinois

Anyone interested in joining these new regional groups, please contact the above named people.

All interested parties wishing to act as a judge at our Grand National, please see ad on Page 14.

We will start in July with a three-month feature devoted to the 1966 Mustang. Any members having contributions to these issues are requested to forward them to National Headquarters. All members wanting their cars featured on a Readers' Page are asked to send a black and white photograph to National Headquarters.

We still have many cars to be featured as Car of the Month, but only have photos in black and white. If your car has been submitted to be used as Car of the Month, and not used, it is probably due to the fact that we do not have colored slides or colored pictures to use on the cover of The Mustang Times...so get them in soon.

We would also like to thank the many sponsors who purchased trophies at all our national events for without them, you would probably be receiving a ribbon instead of the beautiful, high-dollar trophies that we have been able to present you with.
