

## CAR OF THE MONTH

CAR OF THE MONTH  
1973 MUSTANG CONVERTIBLE

OWNED BY:  
TIMOTHY M. FOLTZER  
ST. PETERSBURG, FLORIDA

On December 18, 1975, I purchased my 1973 Mustang Convertible with a little over 25,000 miles on it. Today, it has about 55,000 with a lot more to go.

The car originally belonged to a priest who traded it in on a new car. I just happened to see it sitting on the lot. Three days later, I drove it home and have enjoyed owning the car ever since.

The car came equipped with the 302 V-8 3-speed, power steering, power brakes, dual sport mirrors, AM radio, deluxe bumper group, tinted glass, sport wheel covers, sport grill and decor group.

I have added features such as AM-FM 8-track stereo, air shocks, front spoiler, Cragar S/S/ Mags with F 60's on the front and G 60's on the rear, Amerflint paint, cruise control and fog lights.

I have enjoyed being a member of The Mustang Club of America while also being a member of the Mustang Motorsports Club of St. Petersburg, Florida.

EDITOR'S NOTE: We'd like to thank Mr. Foltzer for allowing us to feature his handsome convertible as this month's Car of the Month

Also being submitted with my car's pictures, is a photograph of my father's 1973 convertible. We could pass for twins except for the fact that his car is an automatic.
