

REGIONAL GROUP NEWS

Meeting was called to order by our president, Charlie Carey.

Membership was the topic of discussion by our president.

Cars belonging to the following members will be on display at the Kingsport Mall, July 12-15: Dick McClellan, Don Wolfe, Jimmy Horne, Charlie Carey, Max Epps, Gary Martin, Don Cox, Bobby Carroll, Warren Long, Mike Bacon, Brian Morelock, Jackie Meade, Jack Ladd, Freddie Jones and Wayne Bryant.

Club jackets and other identifying articles will be investigated and presented to the club for approval. Don Wolfe and Ernie Steut will visit local suppliers to secure prices and samples.

Outing scheduled for June 24th at Linville Falls, N. C., was postponed due to the gas situation. A letter to Waggon Master, Sid Miller, from the Charlotte group stated that several members of their group made the trip despite the gas shortage. They reported that the Linville Falls area was very nice and an excellent place for an outing. Sid plans to reschedule the event sometime in September.

July 1, a flea market and car show will be held at Maggie Valley, N.C. Several members plan to attend.

National Mustang Meet will be held in Atlanta August 24, 25 and 26. Members should make reservations as soon as possible.

Next scheduled meeting will be 8 p.m., July 26, at Anderson Ford.

THE TREASURE STATE MUSTANG CLUB

The Treasure State Mustang Club held their June meeting in conjunction with the Great Falls Auto Classic. For two days, club members showed their cars and manned an information and membership booth near one of the display buildings. With fifteen Mustangs parked in front of the building in which club president, Lee Cigler's Mustangs were being shown, we generated considerable interest and were able to sign up eight new members for our local Treasure State Mustang Club welcomes Randy & Alice May, Jim & Kandie Esposito, Ken & Susan Nergenthaler, Tim & Carol Stieve, Kevin McAtee, Jim & Irene Wells, Pat & Kathy Jordan and Dan Selleck to our club.

Not only was the membership drive a success, but Mustangs prevailed in the show also. Both first and second place in Special Interest went to Mustangs. Lee Cigler's 1965 Mustang convertible won its second first place in its second show. Congratulations, Lee, on a job well done. The many hours of work put into the car were evident.

Our July meeting will be held in conjunction with the Dutton Fun Days in Dutton, Montana. A parade and show will be followed by a barbeque for all participants. For more information, contact any club officer.

GULF COAST REGIONAL MUSTANG CLUB

Our last meeting was held on June 10th. The Western Sizzlin' Steak House will become our permanent club meeting place.

At present, our club has 49 members. We attracted a number of people to our club when 11 of our cars were displayed at Cordova Mall in conjunction with Key Ford's "Mustang Madness" sale. We had different club members take a 3-hr. shift each day to keep an eye on our cars and also to answer any questions people might have had about our club. About 30 people wrote down their names, addresses and phone numbers so that the club could contact them in the future.

Last Friday night, 20 Mustang club members took their cars out to Five Flags Speedway and paraded around the track during intermission. The members then lined up their cars in the pits and answered questions from any of the spectators who were interested. We signed up 2 new members that night.

We are holding a special meeting this Sunday to discuss our first club picnic.

All in all, our club is shaping up very well, and everyone is having a good time.

resignation and express our appreciation for his help in the months he was in office. We would also like to welcome Chris Scarborough, our newest board member.

Our meeting place has been changed due to our growing membership and will be at Buddy's Bar-B-Que at Merchants Rd. If there are any questions concerning how to get there, any of the officers can direct you.

It was also announced that we will be having a picnic at Doug & Penny Owen's farm and would like to express our appreciation for their generosity. It will be catered by Buddy's Bar-B-Que and we will have recreation afterwards.

The last business discussed was the possibility of holding the Eastern National here in 1980. It was voted and approved and we will have more details on when and where in the near future.

Enid, Lamont, Ponca City
OKLAHOMA

Some of you members may have heard of a new regional group having been formed in a one-horse town in Oklahoma. Well, Lamont is a one-horse town with a lot of horse power! Lamont citizens own or have owned: a '69 Boss 429, a '69 Boss 302, 2-'69 Shelby GT 350's, 5-'70 Boss 302's, 2-1968 Shelybys, 2-1971 Boss 351's, 3-1969 Mach 1's and approximately 15 1965-73 Mustangs. Not bad for a town of 500 people. But this list covers the past ten years and some have gone to parts unknown. Most of our members in the club are in Enid and believe me, they are the last and best of the die hard Ford enthusiasts to be found anywhere.

We've all been meeting every two weeks to try to organize our first show. The Mid-West Mustang Show in Lamont on July 15th at the high school, we are expecting 50 to 100 cars from Oklahoma, Kansas, Texas and Missouri. Everyone is invited; registration is \$2 per car before July 5th; \$4.00 at the gate, and the public will be admitted FREE.

Our club got its first start when I was sent to Redford, Michigan to pick up a 1971 Boss 351 from Jerry Ostalecki for a friend, Gary McVay. When I met Jerry at the airport, he wasn't hard to recognize. Gary told me to look for

someone who could play football for the Pittsburgh Steelers and was wearing a bright yellow club jacket. Needless to say, Jerry was the first person I spotted when I stepped off the plane. During the course of my stay, I told Jerry of our problem at home. We (Mustang & Boss owners) got little recognition at Shelby shows of the Shelby American Automobile Club. Then he told me about the Mustang Club of America and how they conduct their business; and Jerry suggested starting a M.C.A. Regional Chapter in Oklahoma.

So thanks to Jerry...here we are.

Bob Miller, President
