64-66 Mustang steel patch panels

These panels have been developed from years of experience in restoring sports and special interest autos in our own shops. We specialize in the re-creation of special sheet metal parts for special applications. We're developing a complete selection of inner body parts for early Mustangs as well as other cars such as BMW 2002, Porsche, and others. We will be introducing many new Mustang body parts in the near future.

LOWER REAR CORNER OF FRONT FENDER \$18 includes rear edge reforming opening, extends to 1 1/2" above horizontal body line

REAR WHEEL FLAR \$28 has original contour with 1/2" rear flange.

LOWER REAR CORNER \$19 has original contour on back, bottom and wheel opening.

LOWER PANEL IN FRONT OF REAR WHEEL \$9 has outer bottom of wheel opening with bottom and front edge included.

INNER REAR LOWER REAR CORNER \$12 has top 1/2" hole, also makes 1" over of trunk floor \$15 & side

mustang floors!

These floors are manufactured in our own shops. Seal holes and clevis holes are stamped out, like original.
