

## CAR OF THE MONTH

### CAR OF THE MONTH:

1966 Mustang Convertible

Owned by:

Ed Lehw  
Pittsburgh, Pa.

My car has been restored to its original beautiful condition...including all its original equipment. Even the window sticker and the instruction manual are the ones that came with the car. The original selling price on the window sticker is \$3803.39 and was purchased on January 20, 1966.

The car now has only 33,000 miles on it.

Some of the specifications for my Mustang convertible are as follows:

Engine - 289-4V Hi Performance  
4-Speed Manual  
Limited slip differential  
Pony interior, including mats, full-length console with deluxe interior decor group  
Power brakes  
Radio  
Rally Pac  
Deluxe wood-steering wheel.

The color of the car is the original color of Sauterne gold with a white convertible top.

EDITOR'S NOTE: We would like to thank Mr. Lehw for allowing us to feature his beautiful convertible as our Car of the Month.
