cvmc@centralv Mustang.com. CVMC's current president is Gordon Martin and the Regional Club's MCA Regional Director is Dave Dickey. Thanks CVMC for helping MCA on this endeavor. These CVMC officials and I hope to see you all at the MCA/CVMC tent, on the Show field, taking part in the action, or in the stands observing the FFW competition.

While I wish to see as many of you as possible at the above events, I do not want you to forget about the two MCA National Shows that immediately precede and follow the two new MCA endeavors—the MCA National Show

in Johnson City, TN, on May 26-28 and the MCA National Show in Sturbridge, MA, on July 14-16.

See the Show flyers in the *Mustang Times* for details on these shows.

I especially want to emphasize the Johnson, TN, show hosted by the First Tennessee Group. The First Tennessee Group was the first Regional Club chartered by MCA. In the year MCA is celebrating its 30th birthday with over 170 affiliated chartered Regional Mustang Clubs, let's give a thanks of appreciation to the First Tennessee Group by quickly pre-registering for their 350 limited Show parking slots.

It's only been a few years since the Mustang Car Club of New England (MCCNE) hosted a MCA National Show in Sturbridge, Massachusetts. Thus, even for us senior citizens, we can remember how great a show MCCNE can host. And, the show location is outstanding.

By now I bet some MCA members in the Central and Western areas of the United States are thinking, "Oh well here MCA goes again catering to the East with its new endeavors." Well just hold on. The Ford/Other Club Liaison Committee is busy trying to finalize MCA presence at the 2006 Mid-America event in Tulsa, Oklahoma. The Committee is also working on other possible venues for 2007 and beyond. I am not trying to influence the Committee's decisions but the annual Mustang Roundup at Steamboat Springs, Colorado, might be an excellent choice?
