ROCK YOUR T-SHIRT. ROCK THE WORLD.

A t-shirt's a t-shirt until you take a pair of scissors, pinch on a few belts, maybe do a little creative sewing. Then it's fashion, your way. When your t-shirt says Warriors in Pink, it becomes an even more powerful statement about you and the role you play in helping address cancer forever. You're making it personal.

Kelly Clarkson knows about making it personal. Listen to the songs on her new album My December and it's clear, she reveals her self, heart and soul. As part of Ford's Warriors in Pink campaign, Kelly puts her heart into it again, helping raise awareness and funds. 100% of the net proceeds from Warriors in Pink wear go directly to Susan G. Komen for the Cure®. You can get your own Warrior wear at fordcares.com. Wear it straight-up or check out the ways you can rock it. Either way, you'll rock the world.
