ATTENTION ALL MUSTANG ENTHUSIASTS:

Join us on a fantastic cruise created just for Mustang lovers!

If you are passionate about Mustangs and want to "get away" during the cold winter, this event was made just for you! Whether you share the cruise with your significant other, come with a friend or come alone, we know you will have a wonderful time.

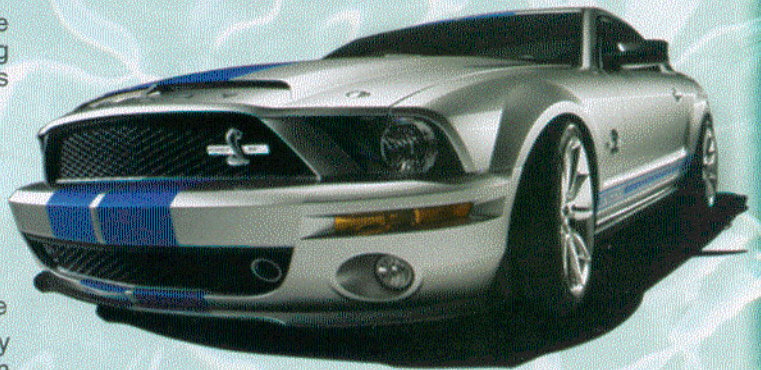

Enjoy seven days at sea aboard the beautiful Valor, one of the newest and largest ships in the Carnival fleet. Exciting Mustang events will be held during our three "at sea" days featuring seminars conducted by:

- Kevin Marti – Publisher of Marti Report
- Arley Whitsell – Past President, Mustang Club of America
- Arnold Marks – Owner of Mustangs Etc. restoration shop
- Larry Jewett – Editor of Mustang Enthusiast magazine
- Mark Fletcher – Collector Car Appraiser
- Ed Terwilliger – Detailing & Reconditioning consultant
- Rich Truesdell – Editorial Director, Automotive Traveler magazine

In addition to all that Carnival has to offer, you will enjoy many other "private" Mustang events that will be held on board during your cruise including welcome champagne and chocolates, seminars, special muscle car breakfasts, cocktail party, afternoon "gearhead get-togethers" and contests with great prizes. This will be a perfect time for Mustang clubs to share information and stories. Carnival's Eastern Caribbean itinerary leaves from Miami and will take us to the tropical ports of Nassau, St. Thomas and St. Maarten. Enjoy it all while in the company of Mustang lovers and hobbyists.

Please join us on this fantastic Mustang cruise. Enjoy a full week of sharing your love for this wonderful automobile with fellow enthusiasts. We promise that this will be a Mustang-themed vacation that you will long remember!
