

# MCA NEEDS A FEW GOOD MEN AND WOMEN

**Y**ou have heard all these sayings before. However, more than ever MCA needs your involvement, ideas, and leadership to help MCA grow to a more multidimensional club, supporting the needs of its membership.

You may say, "What can I do?"

Involvement in many levels will help the MCA family be more fun for all.

One level of involvement is to run for the Board of Directors. You may say, "Who me?" Yes you! With your fresh ideas and an open mind, we can make a difference.

If you even are remotely thinking of running for the board, or if you are just curious about what's involved, please email or call me. I would love to discuss what is involved and explain how easy it is to run.

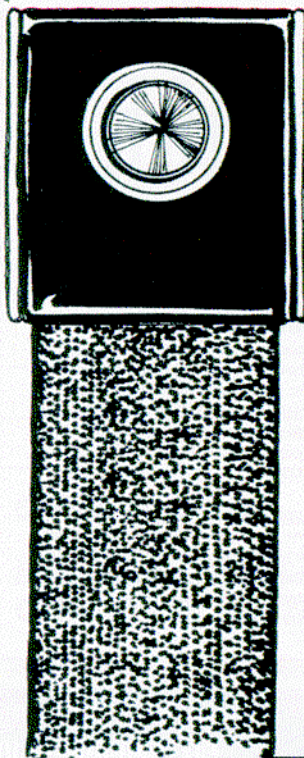

You do need to write a bio, and supply a picture of yourself, and soon! Don't worry if you're not an English major, we will help with the grammar. Our goal is to help you best communicate your true feelings on how you think you can help MCA.

We are dedicated to ensure a fair election with equal representation of all. We do demand respect for all candidates running, and that no one person promote negative campaigning which, in print form, include web forums.

Please call me today to get a good understanding of the process, and see how you can help MCA!
