

## ALL-NEW BULLITT JACKET

Check out this Bullitt Jacket—newly released, and available now! Lined and fully embroidered, this twill jacket is available in sizes XS-6XL. Priced at \$125 with shipping fees waived for MCA members (be sure to give your MCA number when ordering). Be sure to mention you saw this in *Mustang Times*.

## MUSTANG OR MACH 1 TWILL JACKET

The elusive black jacket you're probably tired of me talking about is still available, only now it comes with a choice of logos. Choose the Mustang or MACH 1 logo on the front.

This beautiful twill jacket is fully lined and beautifully embroidered. Also priced at \$125 in sizes XS-6XL with free shipping to MCA members.

## MUSTANG HOODIE

The perfect light-weight cover for those not-as-cold-but-still-chilly days! This Mustang-logo hoodie has the same embroidery as the jackets, and is fully lined with moisture-wicking material. And, it's very comfortable, too! Priced at \$89 also with free shipping to MCA members.

To purchase any of the above items or to shop for hundreds of Mustang-related items and/or apparel, visit: [StangStuff.com](http://StangStuff.com) or call 562.468.2262

## COBRA PARTS

Performance parts has new front and rear Cobra 10th Anniversary caliper sets available for just \$399.99 for a limited time! This price is for all four calipers!

## COBRA RACK

Also available from Performance Parts are a few brand new 2003-2004 Cobra rack and pinions. These assemblies are brand new and not to be confused with rebuilt or remanufactured racks sold elsewhere. Call for pricing and availability.

## MUSTANG STRUTS AND SHOCKS

Performance Parts has the best pricing, inventory and support on the finest struts and shocks for your 1964-2009 Mustang: KONI.

We have you covered on all the Mustang GTs, SVOs, Cobras, SSPs, Feature Cars, Saleens, ASCMcLarens, Shelby's, Cobra "R" models, Pace Cars, LXs, BULLITTs, California Specials, etc.

Call for a price quote and remember that Ground shipping in the continental US is still FREE!

## DISCONNECT SWITCH

Nelson Specialties' Heavy-Duty Master switch offers high electrical load capacity, excellent conductivity, and a durable design. Sealed battery disconnect switch is rated to 1,000 cranking amps, and 180 amps continuous. Unit is suitable for electrical systems ranging from 6 volts to 36 volts. Silver-plated contacts provide high conductivity

to maintain ignition performance when running low amperage ignition systems through the switch. One-piece heavy-duty die cast metal housing, 2 5/8" diameter, 4 1/8" long. Mounting stem is 3/4" diameter, 25/32" long. Single-pole

single-throw wiring terminals are 3/8" studs. Positive switch action confirms proper engagement. Comes with faceplate for clean and functional mounting, as well as high legibility. Be sure to mention *Mustang Times* when calling for price and availability.
