Life is full of choices for kids. You can help them make the right ones by showing them your appreciation for cool old cars. Your passion for collector cars today may even nurture a shared interest for years to come... when those hands are as big as your own.

Those hands stay small for such a short time. Now's the time to lead a child down a path that could expand into a lifetime of enjoyment. Going to a car show is a history lesson, a social event and storytime all wrapped up into one!

Take a kid to a Car Show is a program of ARMO, a SEMA Council.
