

# PROJECT UPDATE

**B**y the time this reaches you, a Foundation will be in place for the Mystical Build for the Cure project '67. Those of you who have contacted me about donating money to this cause may now send checks to the editorial office in Lakeland, Florida. Also, be sure to order one of the chrome keychains that are in the Just In department. The tab that says Mustang Times is chrome and the ribbon charm is pink. These are absolutely adorable. All funds will directly help the project car. And, as you should be aware by now, all proceeds from this project will be given to Susan G. Komen for the Cure, Florida Suncoast affiliate.

Currently, we have the body from Dynacorn, we also have secured some interior parts, brakes, exhaust, gaskets, an MSD ignition, a clutch and flywheel, a custom steering wheel, custom pedals, a radiator and fans, and gauges. We are still in need of many products, large ones too like a hood, fenders, and all the glass, just to name a few parts.

There has been a slight delay in starting this project because of the legal necessities. But, all has been taken care of and we're set to go! If any of you have any questions, please don't hesitate to write to me and ask. Also, don't be afraid to make suggestions. I have put together a committee of advisors to help with this. Also, I have someone who will be handling all the funds because, quite honestly, she will do a better job and have more time than me.

I will be giving you constant updates on the progress. I also intend to keep you updated on our web site as well.

I hope you've made your reservations for the first National Show of 2008 in Pensacola on March 28-30. Look in the News and Notes for the latest plans for that weekend. Pensacola's Gulf Coast club has always put on a fantastic show and this one will be no different. The show venue has moved, so look in the Events column for the contact information. And, make your reservations because we'll be looking for all of you there!

Lastly, I'm inviting all of you to send your letters about anything regarding the MCA and/or the magazine. This is your club and this is your magazine. This is the voice of the Board and the officers, but it is also the voice of the membership. I look forward to getting your emails and as long as they can be read by all ages (that means no bad words), I will print them! While your at it, why not go outside and take a nice photograph of your Mustang and send a write up and the photo to me. Wouldn't you love to see your car on the pages of *Mustang Times*? I know I would!

I hope all of you have read the March issues of Modified Mustangs and Mustang Monthly. Each had a 32-page insert with all the National Show, Grand National Show, and Driving Events planned for 2008. We thank them and their publishers for the interest in the MCA and for promoting our show season. If you would like a copy of the special insert, drop a line to Kristie in the MCA office in Pensacola. I'm sure she'd be glad to send you one.

See you on the show field!

Your perpetually optimistic and slightly off-center editor,

*Mary Jean Wesche*
