

MYSTICAL BUILD

Progress is finally being made in beginning this project. After a slight delay while getting the legal papers all set up, we're beginning the project '67Mystical Build for the Cure.

Here's the project logo and we've filed papers for a Foundation. Look for more items for sale to help raise money for our project. We want to give the Susan G. Komen Foundation a large profit from the build.

Donations are coming in already and keychains are still available. Contact Kristie in the MCA office at 850.438.0626 or via email at mustang@mustang.org

MUSTANGS ACROSS AMERICA'S 45TH ANNIVERSARY DRIVE

In April of 2009, the Mustang will turn 45 years old and the largest Mustang show ever is being planned in Birmingham, Alabama, by the Mustang Club of America. To be held at the famous Barber Motorsports Park from April 16-19th, the three-day event will host as many as 6,000 Mustangs for show and open track events.

Adding to the 45th anniversary celebration will be an epic Mustang convoy road-trip from the West that will travel across America's heartland bringing Mustangs from all over the United States and around the world to attend the big show in Birmingham. Starting in Las Vegas, NV, Mustangs will thunder across America on a five day journey through the scenic backdrops of history, tracing the shadows of Route 66 in the West. The Midwest will include a stop in Mustang, OK and Dallas, TX before rounding up the herd through the deep South in Louisiana and Alabama. Drive participants will enjoy planned gatherings, cruise-ins and other adventures as part of the road trip itinerary.

The event will kick off in the excitement and glitter of Las Vegas on Saturday, April 11, 2009, and head east for historic Route 66 outpost Holbrook, AZ. The planned route incorporates some of the best remaining segments of the Mother Road. Mustangs new and old will be traveling through many of the ghost towns and rich imagery that inspired the recent movie "Cars." The small Route 66 town of Holbrook is steeped in Mother Road history and home of the Wig-Wam Hotel, famous for its Tee-Pee motel rooms.

From there the drive continues through Albuquerque, New Mexico, and includes a visit to historic Santa Fe before heading to an overnight stop in Santa Rosa.

The stampede of Mustangs will grow and storm across the Texas plains through Amarillo, Texas, on the third day. A stop at the Route 66 Museum is planned for Clinton, Oklahoma, after which the convoy will head for the charming and much loved town of Mustang, Oklahoma, for an overnight stop. From the heartland city of Mustang, the drive heads south to Dallas for a special lunch stop and then to Shreveport/Bossier City, LA where things really get exciting. The night in Louisiana will be studded with activity and fun with nearby river-boat casinos. But that will be the side show because on the fifth day leaving Shreveport/Bossier City, LA for Birmingham, the convoy is expected to grow up to 500 cars from all over the United States and Abroad. The final day's drive will nearly double in size on the last day, with people from the entire Eastern seaboard joining in.

The MAA event will be open for registration on April 17, 2008. The cost to register will be \$45 which will include a complete package of Mustangs Across America 45th Anniversary Drive items and regalia in addition to exclusive hotel discounts and access to special events across the country. A commemorative printed travel guide detailing mile-by-mile maps, itineraries, points of interest and a host of other goodies are included as well.

WIN A TERLINGUA SHELBY

CARROLL SHELBY CHILDREN'S FOUNDATION™

Carroll Shelby is at it again! Each year he raffles off a Shelby Mustang for his Children's Foundation. Monies raised go to assist his foundation in providing financial aid to children in need of kidney and

cardiac organ and tissue transplants.

Introduced at the 2007 SEMA show in Las Vegas, Nevada, The Terlingua Mustang, equipped with a 375-hp supercharged V6, will be this year's raffle prize.

Handling and braking capabilities are all done in Shelby's typical performance-improving style. The Shelby is Black and Yellow and features 20-inch anthracite "Razor" wheels and, of course, sports the official *Terlingua Rabbit* logo.

The raffle tickets are priced at \$25 each or five for \$100. All mail-in entries must be received at the Carroll Shelby Children's Foundation office no later than Thursday, September 25, 2008. Any raffle ticket received after this time will be void and returned to the sender along with any checks to purchase tickets. The drawing will be held on September 13, 2008. The winner need not be present to win. The raffle is void where prohibited, and you must be at least 18-years-old to participate.

MUSTANG CLUB OF LAS VEGAS MAKES HISTORY

As we were going to press, we received notice that The Mustang Club of Las Vegas got permission to have a car show on the Hoover Dam. Named "**The First Dam Car Show**", the MCLV will be the first car club in the history of the dam to have a car show on it.

If you're in the area on June 14, 2008, be sure to participate. Log onto the MCA website, www.mustang.org, and look under events for more detailed information.
