

2009 WARRIORS IN PINK MUSTANG

Ford Motor Company, which has dedicated more than \$95 million in cash and in-kind contributions for breast cancer education and research for 14 years, announces it is doubling its contribution to Susan G. Komen for the Cure each time it sells a 'Warriors in Pink' package for the 2009 Ford Mustang.

"Thanks to the tremendous response from our dealers and customers to the 2008 'Warriors in Pink' Mustang, we knew we needed to continue offering the package, and we're happy to be able to increase our support for the Cure at the same time," said Connie Fontaine, Ford Experiential Marketing manager.

Produced in a limited edition of 1,000 units, the Mustang with Warriors in Pink package was designed exclusively in support of Susan G. Komen Foundation for the Cure.

Available on the Mustang V-6 Premium Coupe and Convertible models, the Warriors in Pink package includes a unique grille and will add a pink ribbon and pony fender badge, pink Mustang rocker tape striping, charcoal leather seats with pink stitching, aluminum-spoke steering wheel with pink stitching, and charcoal floor mats with pink ribbon and contrast stitching.

Coupes also can be ordered with the all-new glass roof option in your choice of three body colors: Black, Brilliant Silver, and Performance White.

The limited-edition 2009 Mustang with Warriors in Pink will be available through Ford dealers this summer.
