

ARVINODE EXHAUST SYSTEM

The past comes alive with this new reproduction of the Arvinode exhaust system originally found on 65 289 Hipo cars built around October 1964 to March 1965. This system was duplicated using original blueprints with details provided by the family of the Arvinode designer and Arvin employees who worked on the system. This system is not just cosmetic, the internal design of the forward chambers and resonators has been duplicated as well to provide an accurate sound. The system comes in pieces ready to be welded as original or clamped for ease of installation. Bolts up to a correct H-pipe (not included). Systems come two ways: as original with the external damping bar or without the bar to save on costs. Correct hangers will be available soon.

5210-16A Original style \$499.95

5210-16B Economy style \$379.95

Available from your closest National Parts Depot warehouse. Be sure to tell them you saw them in *Mustang Times*. Florida 1-800-874-7595, Michigan 1-800-521-6104 North Carolina 1-800-368-6451, California 1-800-235-3445.

EAGLE ONE WAX AS-U-DRY

Eagle One has introduced Wax As-U-Dry in an aerosol to make waxing easier than ever before.

After washing your car, leave it wet, spray on Wax As-U-Dry then, simply dry with a chamois or towel. It's that easy.

The result is a high-gloss shine with no hazing, streaking or white residue. Each use provides a protective layer of wax to the finish.

Wax As-U-Dry is a blend of water-reactive polymers and carnauba wax that is safe for all painted surfaces as well as windows, bumpers, trim and wheels.

The 18-oz. Wax As-U-Dry has a suggested retail of \$4.99 and is available at leading mass retailers and auto supply chains.
