

PAY IT FORWARD

In less than five months, Mustangs of East Texas' Pay It Forward Restoration Team has completed the Pay It Forward Mustang.

Their diligent work has been documented on their specially designed website, www.payitforwardcar.com.

The Mustang will be displayed at the Scott Drake Enterprises booth at the SEMA Show on November 3-6, 2009, in Las Vegas, NV.

Look for coverage in *Mustang Times* on that event.

Proceeds of the auction of the Pay It Forward Mustang will be presented to The East Texas Crisis Center. **MT**
