

## Mustang Gal,

Spread the word!

From the GT/CS website....a Thread that I started today (12/24/2008).

Since Ford has not asked for any of the bailout money from the government, I thought of this idea....

We should pick the last week of January (26-31) to go to our local Ford dealer to buy "something" if it's just a Mustang hat to a whole car or truck!

Maybe it would be a good time to pick up those parts for your GT/CS (new or orig.)?

This message could be spread to EVERY Ford and Mustang website and message boards across the USA!

I think this would be a good time to show Ford that "us enthusiasts" CAN make a difference for them, and it would show up in a noticeable uptick in dealer-sales that week.

After all, they're really supportive of the Mustang enthusiasts in the promotion of the 2010 Mustang....as evident of my visit to the reveal in LA!

It's worth a shot! let's do it!

Thanks,  
Paul Newitt

## Paul,

Thanks so much for your great idea. Since your email came in after the January issue went to press, I am suggesting that we extend your suggestion to the two-week of February 26 - March 6.

You stated you had this on your GT/CS website. I plan to send the idea on to all the Mustang and Ford websites that

*I know of and hopefully our members will buy in and do the same. Additionally, maybe we'll just "shock" many Ford dealers by actually buying "something" from them during this time period.*

*Thanks for the great idea!

## Mary Jean,

*Mustang Times* purpose is to inform, incite, and involve, but I suggest you also "invite" by including an application to join MCA in every issue.

Burt Harwood

## Burt,

*Each issue of Mustang Times has had an application to join the MCA printed in a full-page ad. In the January issue, it was on page 61.*

*I was so happy when I read your email. I have been questioned by many on the merits of utilizing a page in Mustang Times with a membership application. My intention is simply this:*

*If each member talks to just one other Mustang enthusiast about the wonderful benefits of MCA membership, and maybe shares their copy of Mustang Times with that person, they might be encouraged to join! With a membership form in the magazine, all the necessary information is right there, in their hands!*

## Hello Mary Jean,

I always enjoy reading all of the articles (front to back) [and sometimes back to front] of the *Mustang Times*

magazine. As usual, the latest edition (January '09) was no exception.

Being a Mustang fan, I always enjoy learning more about the new models.

Of particular interest was the cover article about "Driving the 2010 Mustang." Within the article, it states that "We've provided a chart for you to see all the options and comparisons between the Bullitt and the 2010..." Unfortunately, I could not locate the "chart."

I would be very interested in seeing it and would appreciate if you could publish it in a future edition.

Keep up the good work,  
Mike Zimmer

## Mike,

*I honestly can't say what happened to the chart that I promised in my article. What's worse, I'm so sorry that all of us missed it when proofing the magazine before it went to press.*

*In any event, you will find the "missing chart" on page 44 in this issue.*

*Thanks so much for writing and for your comments. Keep reading!*
