FROM THE DRIVER'S SEAT

Oh good heavens! I knew time was moving faster as I aged but this is getting ridiculous. When I sat down this morning, my calendar said December 30, 2008. But, Mary Jean Wesche, our fearless MT editor, tells me it's already February (or at least time for my February article). With the January 2009 issue behind us (you don't even want to know when I wrote it) and in the mail, I guess time really does fly by. I guess though, on a bright note, by the end of the year I should be two-months ahead! Yeah, right!

Last month I introduced the new Executive Board for the MCA. This month I'm introducing the National Board members for 2009. These folks give their time, energy, and personal funds, to support the MCA and you, on a regular basis. I want every member to know who to contact for help, assistance, or whatever. You can contact an Executive Director or a National Director but you gotta know who first. Some names you might recognize while others will be new to you. And some names you're going to miss as directors roll on and off the board.

I'm listing the Directors in alphabetical order and their email address. If you want or need additional info, please either look on the current MCA web-site or send the director a note requesting additional information.

Well, that should be all of your National representatives and how to contact them.

Did you happen to notice we have directors from all across this great land? Representation from somewhere close to you should be fairly easy to find. I hope you will keep this list as well as the Executive Officers' information for future reference and use. All contact information for Executive officers and National Directors is also on the MCA web-site. Without a doubt, any of the board members and/or officers will be more than glad to speak with you and hopefully assist as they can.

As a reminder, I do want to mention the upcoming 45th Anniversary Celebration in April. The event staff is working hard to make this event a success. I think you will find pretty much everything you can imagine relative to Mustangs at the 45th. Hopefully, you've already made plans, reservations, etc. to attend. If not, get moving! We want to see you at this awesome event to help celebrate 45 years of Mustang. No other manufacturer can say they have had a ponycar for that length of time. Come join FORD, your Mustang friends, and the Mustang Club of America for a great event!

Later,

Steven McCarley
