

# Join The Celebration!

Join The Mustang Club of America in Celebrating the Mustang's 45th Anniversary!

**April 16-19, 2009**

Barber Motorsports Park, Birmingham, Alabama

The Ford Mustang has been America's # 1 Pony Car since its introduction on April 17, 1964. Since then over 9 million Mustangs have been sold proving that the car appeals to many different kinds of lifestyles. Since the 1960s when the Shelby Mustangs forged a dynamic performance image for the Mustang Brand, the car has been a winner. Competitors have come and gone, while only Mustang has been in production since its introduction. The reasons for Mustang's success are simple. The car appeals to all kinds of buyers, from the 700+horsepower Shelby GT500 Super Snake to a 215 horsepower V6 Mustang Coupe, the common denominator is... Fun! Mustang is an American Icon and has been for 45 years - Come Celebrate Mustang's 45th Anniversary and have Fun!
