

PONY UP FOR CHARITY

PAY IT FORWARD WITH A '66 PROJECT MUSTANG AND \$10,000 IN FREE PARTS FROM SCOTT DRAKE ENTERPRISES

In celebration of Drake Automotive Group's 30th anniversary and the 45th anniversary of the Ford Mustang, Scott Drake and the Mustang Club of America are giving MCA clubs across the country a chance to "pay it forward" with the ultimate Mustang makeover.

One lucky MCA club will start with a 1966 Ford Mustang convertible project car and \$10,000 in parts donated by Scott Drake. The club will finish with a fully restored Mustang that will be displayed in the Scott Drake booth during the 2009 SEMA show and later sold at auction. Proceeds from the sale of the car will benefit the charity selected by the winning MCA club - giving them an opportunity to "pay it forward".
