challenge you! That's right. As president of the Mustang Club of America, I am challenging you: ALL OF YOU! My challenge is for each and every MCA member to go out and sign up one new member. If we all get one new member, we double our size. There's no hard math here, just take the current membership (around 12,000) and multiply by two. Of course, if you sign up more than one, that would be great too.

How hard is this? Not as hard as you might think. I can tell you that I've already signed mine up. Nancy and I, along with our son, Christopher, were on our way to a local Sonic Drive-in in our '08 on a recent Tuesday night. I heard the familiar growl first, and then Nancy heard it. We looked to our right as a black 2007 Mustang GT pulled alongside. Christopher yelled, "MUSTANG!"

Nancy put her window down to talk to the driver as he pulled up next to us at a stop light. We complimented the young man on his car, asked about his muffler choice (or lack thereof), and asked if he was an MCA member. When he said no, Nancy quickly handed him an application and one of my business cards. That's right. I keep a supply of MCA applications in all my cars.

We were right there in traffic; stopped at a light. How easy was that? Later that evening, I got an e-mail from the young man, whose name is Clay, and we also spoke by phone. He said he was on-line filling out the information. We talked about Mustangs, upcoming shows and events, and the fast-approaching 45th Anniversary event. He was excited to be a new member of a—no, *the* national Mustang organization.

So, if we can get a new member in the middle of traffic, on a Tuesday night, and without even trying, just think of what all of us could do by actually approaching your Mustang friends, and making them aware of all the benefits of being in the Mustang Club of America.

I challenge you! As a matter of fact, I double-dog dare you!
