

PAY IT FORWARD

UPDATE

Since winning the Pay It Forward Contest, the "Pay it Forward Restoration Team" from Mustangs of East Texas have been quite busy. They had the Mustang for not quite 24 hours before work began. The Mustang has been disassembled and the progress to date can be seen below. Also, check their "Pay it Forward" website at www.payitforwardcar.com to follow the process! **MT**

DONATIONS HAVE BEEN COMING IN AT A RAPID RATE. THE DONATIONS TO DATE ARE:

- Scott Drake.....The car and \$10,000 worth of restoration parts
- Quantum Performance.....302 Roller motor with Ford Racing aluminum intake and heads
- Performance Automatic.....C-4 Automatic Transmission with torque converter, block plate and bell housing
- Old Air Products.....Complete heating, air-conditioning and ventilation system
- MP Products.....Custom kick panels and grill-radiator dress up panel
- Kicker Audio.....Two 6 1/2 mid range, two tweeters and a subwoofer, power kit and amplifier
- Marti Auto Works.....Belts, hoses, clamps, VIN tag, plug wire, battery cables, etc.
- Siler's Paint and Body.....Complete sheet metal replacement, body work and painting
- Ssnake Oyl Products.....Restored seat belts, carpet underlayment
- Bill Day Tire.....5 BF Goodrich Radial TA Tires
- English Color Paint and Supply.....PPG waterbourne paint system
- Distinctive Industries.....Complete leather pony interior
- Baer Brake Systems.....Front disc brakes
- Currie Enterprises.....Third member and axles
- Gateway Classic Mustang.....Sheet Metal
- Ortigo Racing Carburetors.....4V performance carburetor
- AMK Products.....Body Fastener Kit

These parts are primed and ready for final sanding before applying paint. The paint will be the new water-bourne line from PPG, which is ecologically friendly.

The body is ready for priming and sanding as it is prepared by Eddie Siler and his crew for painting. Left to right are Wendell Osborn, Craig Chesley, Perez Simmons, Leroy Corbow, Lindsey Bradley, and Eddie Siler.

The rear assembly is completed, detailed, and ready for installation. Its new third member and axles are compliments of Currie Enterprises; new rear brakes, Styled Steel Wheels from Scott Drake Automotive Group; and new BF Goodrich Tires are compliments of Bill Day Tire Company, Tyler, Texas.
