FROM THE DRIVER'S SEAT

Several weeks ago, while attending the Mid-America Ford Performance and Team Shelby Nationals in Tulsa, Oklahoma, two gentlemen stopped me in the hotel lobby. They wanted to talk about their local club becoming an MCA Regional club.

Several things struck me about this. One, it was great to know that local clubs continue to want to be a part of the Mustang Club of America. Two, although they did not have a boundary issue in their area, they still wanted to know my thoughts on the subject. And three, this was not an MCA event.

That last point is actually quite important. Whenever any MCA regular (or irregular for that matter) attends other events, we need to continue to support and promote our great organization.

How many of you have visited a Ford dealer this summer? Yeah, we all know how great Mustangs are! After all, we are celebrating 45 years our fabled herd.

But, there are so many other Ford products, among them a Hybrid Fusion. I recently did a "hyper" mileage test drive and got almost 51 miles to the gallon. Austin Craig's wife, Barbra, got better than 66 mpg, and Gary Patterson with Shelby Automobiles did better than 76 MPG.

Pretty cool stuff considering it was the Deluxe version with all the bells and whistles we've come to expect. You need to go check out what Ford has to offer.

It's election time for the Mustang Club of America's National Board. Inside this issue is a ballot along with a brief bio on each nominee. Please check off no more than 12 names on the ballot, then drop it in the mail. If you do mark more than 12 names, your ballot will become void. We've paid the postage for you. Be sure to mail it no later than September 30th.

Serving on the National Board is work and it's not cheap. It is, however, an honor to be elected and to serve. Voting only takes a few minutes of your time. So, read the bios, mark your choices, and drop the ballot in the mail. Do it today!

I ask and/or tell you every month, got something on your mind? Wanna talk about something? Got a burr under your blanket? Touch base with me or one of your National Directors.

Until story time again,

STEVEN MCCARLEY
