CYBER CLEAN®

Another revolutionary cleaning product is from Cyber Clean®. For all those difficult to reach places in the dash of your Mustang, even the radio and air vents, this product is outstanding. It fits into cavities because of its perfect combination of viscosity and elasticity. Its patented formula absorbs dirt and other residue, providing deep cleaning.

Highly reusable, the color of the product changes to let you know when it's time to buy a new Cyber Clean®. Available in two versions, home and office use and automotive, you will be amazed how many uses you will find for this product. I tried this product and absolutely love it.

Available at many retailers, Cyber Clean® comes in many sizes.

AUTOGLYM CAR CARE PRODUCTS

Autoglym is one of Britain's leading car care specialists. Established in 1965, Autoglym has an extensive, award-winning range of more than 50 retail products that combine ease of use, value, reliability, and performance. Autoglym holds Royal Warrants for Her Majesty The Queen and H.R.H. The Prince of Wales and is approved by some of the most prestigious brands of automobiles.

Beginning this year, Autoglym products will be available to American consumers.

SUPER RESIN POLISH

Super Resin Polish is an ultimate cleaner, polish, and sealant. It has been Autoglym's top-selling product. Providing an exceptional high gloss shine and long-lasting protection for all types of paint, the MSRP is \$14.99.

VINYL & RUBBER CARE

Autoglym's Vinyl & Rubber Care cleans, protects, and beautifies all rubber and plastic trim on your vehicles. This multi-purpose spray-on product is used to treat interior and exterior plastics, trim, and the often-ignored rubber seals. MSRP for Autoglym's Vinyl & Rubber Care is \$8.49.

INSTANT TYRE DRESSING

Instant Tyre Dressing is a fast and easy way to clean and protect tires, while giving them that "new" appearance. Instant Tyre Dressing contains durable polymer silicone protectants. Simply spray the tires and allow it to dry naturally. The result is a clear gloss sheen. If you prefer a matte finish, simply wipe the product with a clean cloth before it dries. MSRP is \$8.79.

PERFECT PALM APPLICATOR

Introduced at SEMA in 2009, Autoglym's Perfect Palm is an outstanding ergonomic device for application of all cleaning and polishing products. It "self grips" to your fingers making application of these products so easy and effortless. This new device was designed to enhance the performance of Autoglym's wide range of car care products.

After use, simply wash with warm, soapy water, rinse with clean water and allow to air dry. MSRP \$9.95.

Autoglym products should be available at local retailers. For specific retail information, visit www.autoglymusa.com.

1980-1993 AOD OVERHAUL KIT

Ford's AOD transmission is a reliable performer with factory and mild upgrade performance applications. TCI® has introduced a 1980-1993 AOD Ultimate Overhaul Kit if you're looking to move to higher performance levels.

Designed for heavy-duty strength against the stresses of high horsepower applications, the kit features Alto Red Eagle friction clutches and Kolene-treated steel clutches. The Alto Red Eagle clutch increases holding force or coefficient of friction while the Kolene-treated steel clutches disperse heat equally among the frictions and steels. This clutch combination provides higher performance and durability. The cohesive lining allows the transmission a better chance at longevity. Also included is the Kevlar overdrive band which will improve the "apply and release functions" while reducing wear. This master overhaul kit is ideal for any high-performance street or all-out racing application.
