

**WIN A SET OF PERSONALIZED SCUFF PLATES**

Have you noticed the illuminated scuff plates on the 2005 and newer Mustangs? How would you like a chance to win a set for yourself? Interlum, manufacturer of the Ford Scuff Plates is sponsoring a contest for MCA members and the prize is a set of personalized scuff plates. The winner may choose their own design, lettering, etc.

Using LED lighting, your name is laser-etched and illuminated with multi-color lighting. Available in Red, Green, Blue or White lighting, they are fully assembled, resistant to scratching or scuffing, protected from UV fading, and tested to OEM engineering standards.

Simply mail in your name, address, and MCA number to:

**Mustang Times

Entries must be postmarked no later than May 31, 2010. Get your entry in the mail now.

**NOTE OF THANKS**

She appreciates all of you more than words can express.
