the greatest gift

These hands stay small for such a short time. Now's the time to lead a child down a path that could expand into a lifetime of enjoyment. Going to a car show is a family affair, a social event and anytime all wrapped up into one!

Life is full of choices for kids. You can help them make the right ones by showing them your appreciation for cool old cars. Your passion for collector cars may one day inspire a shared interest for yours to come...when these hands are as big as your own.
