WIN A MUSTANG

Prestolite Performance announces Modern Muscle X, a sweepstakes that offers the winner a choice of three vehicles, one of which is an enhanced 2010 Mustang. The Prestolite Performance team enhanced the performance of the vehicles, giving better power and more control. But these cars will serve as a platform for the development of new products.

To enter, log onto the Modern Muscle X website, www.modernmusclx.com, and complete an entry form. You can enter once each week from the same email address.

The sweepstakes deadline is December 30, 2010. The winner will be chosen in January 2100 on PowerBlock TV, www.powerblocktv.com available through Spike TV.

2011-2012 NOMINATIONS STILL OPEN

BOARD OF DIRECTORS

We are asking for your support to make the MCA the premier auto club in the world. We can't do it without you—and we mean you! If you love the Mustang and everything it stands for, then you should want to help the MCA. We are seeking dedicated individuals who desire to become part of a team that makes things better for everyone associated with our Mustang family.

At the end of December 2010, 13 Board of Directors' and four Officers terms will expire. It's time to consider submitting your name in nomination for one of those positions. The requirements are simple: You must be a member of the MCA in good standing, and you must be 18 years old before October 1, 2010. That is all it takes to run for the National Board of Directors for a two-year term.

Serving on the Board is not a "name-only" position. You will be required to put forth effort, which includes sacrificing time and personal expense to attend the BOD meetings. As the MCA bylaws state, the Board is required to assemble four to six times per year. Each year, the BOD members vote on meeting location. The 2011 meetings locations have not yet been determined. If there are changes or cancellations, a teleconference may be used in place of a physical Board meeting.

Board members generally serve on at least one committee and will be required to attend committee meetings called by the committee. Some of these meetings are held at the BOD meeting, most are via conference calls. As with any business or organization, there are many issues discussed and many decisions made. Issues are discussed and evaluated, those passed by various committees are then presented to the full Board for approval. Although this is a hobby, the Board of Directors operates like a business and is accountable to all members.

Additionally, you may spend a great deal of time talking to Regional Club representatives and members by phone. You will be a representative of the MCA at any National, Grand National, or regional event you attend. You will be expected to convey the positions of the Board to members and non-members alike while at those events.

You will not be compensated monetarily; your compensation will be in knowing you have an important part in running the largest car club in the world dedicated to the preservation of the Mustang hobby.

Please give this opportunity serious consideration before making a decision. Our goal is to have a diverse Board with representation from all areas of the country. What better way is there to share our passion then to assist in growing the MCA and spreading the word that we are a club for all generations of Mustangs, their owners, and enthusiasts?

To make your intentions known, you must submit a biography of no more than 300 words to the Nominating Committee before July 10, 2010. (Bios longer than 300 words **WILL** be edited for space.) In addition to your name, you must include your MCA membership number, full address, local club affiliation, offices held within the MCA or Regional Club(s) if applicable, any information you deem appropriate. A recent photograph of yourself must accompany your biography.

Biographies, photos, and a ballot will run in the September issue of the *Mustang Times* and bios will be posted to the website. Elections will take place in September. All MCA members are entitled to vote! Deadline for submitting your biography and photo is **July 10, 2010!**

OFFICER ELECTIONS

Also up for election this year are the offices of President, Vice President, Secretary, and Treasurer.

As our Bylaws state, you "must have at least two-years experience as a Regional or National Director to be placed on the ballot for an officer's position." If you have represented your club in that respect for a few years or served on the National Board then you meet the criteria!

The same bio and photo requirements apply as above. All National and Regional Directors will receive ballots for that election. Please give serious consideration to serving a two-year term.
