

# My Mustang Poem

**Jim & Lucy Carroll • MCA #21728 • FL**

*I waited, and waited, and waited some more,  
And FINALLY got the call.  
There "She" sits all shiny and new,  
Red Candy Metallic,  
A 2011 GT, 5.0, Convertible too!*

*I love my new mustang, as you can tell,  
I can't wait to drive it a spell.*

*"She" leaves on the Great American Pony Drive  
At the end of August,  
From Denver to Rapid City, to the 2010 Sturgis Mustang Rally,  
To W. Yellowstone National Park,  
Salt Lake City with a lot of touring in between,  
Like Deadwood, Devil's Tower, and Badlands, to name a few,  
Then Back home to Florida,  
Where our home ties are strongest.*

# THE STABLE

**Tom Hahn • MCA #46512 • AZ**

**O**ver the years, Susie and I have been the proud owners of four Mustangs. Our current pony is a 2007 GT. Since the new rage for "man caves" and/or garage condos has hit the scene, I have had this idea in my head that our pony deserved something special to rest in.

Since Susie told me when we moved into our new home that the garage was mine (!?), I decided to make a stable for our pony. Using all the posters and auto memorabilia that I have collected over the years and being a Roush-Fenway NASCAR fan, what you see is a result of my over active affection for anything Mustang or anything Ford.

Decked out in Roush Red from Home Depot, I have a great work bench, storage cabinets and display area that will continue to grow.

Susie says, "What do you mean, Grow?" I told her, "There's always the ceiling!"
