Enter now and you could win your choice of a Shelby Mustang GT500, Porsche, BMW, or $50,000 cash!

Did you know that the number one killer of teens in the U.S. is car crashes? 'Distracted driving' and failure to control their automobile is a major cause of teen crashes. The Tire Rack Street Survival safe teen driving program, a 501(c)(3) organization is designed to give teens the 'hands-on' experience they need to make them smarter, safer drivers.

Do you have a teenager or know someone who does? Then support the national Tire Rack Street Survival teen driving program and purchase an entry to win a brand new Shelby Mustang GT550, Porsche, BMW, or $50,000 cash! One prize will be awarded for every 8,500 entries, so $100 for 7 entries brings your odds of winning the Shelby Mustang GT500, down to less than 1 in 1,250.

Last year, the Tire Rack Street Survival program hosted more than 80 schools benefiting over 1,800 teens. Our goal for 2012 is 100 schools, so please choose to support national teen driving safety by entering. THANK YOU!
