

2011 HOLIDAY GIFT GUIDE

The annual *Mustang Times* gift guide will again run in two issues as more unique and interesting items are discovered.

As we always say, the best gift you can give to any Mustang enthusiast is a membership to the Mustang Place To Be: The Mustang Club of America. Recipients will receive benefits such as discounts on insurance, merchandise, and registration fees at National shows, and 12 issues of the *Mustang Times*.

Call Kristie in the MCA office at 850.438.0626 to order a gift membership, or purchase online at www.mustang.org. Please let Kristie know if you'd like us to send a gift card!

MUSTANG RACING TECHNOLOGIES

Located in Plymouth, Michigan, Mustang Racing Technologies (MRT) is an engineering-based, time-tested company with application-oriented automotive experience. Utilizing their factory experience, and track-tested knowledge, MRT designs, tests, and develops parts that you can install without unnecessary mods to your vehicle. If you can dream it, they can help you build it. Visit their website at www.shopmrt.com, or call them at 734.455.5807.

TILTING HEADRESTS

Drivers come in all shapes, sizes and styles. So shouldn't a headrest adjust so that all Mustang enthusiasts can drive in comfort and style? This hot, new headrest allows drivers to select from four distinct rest positions. You'll enjoy your Mustang without a sore neck and without settling for a bizarre or unfinished look in your interior.

Headrests are available for '05-'09, '10-'12 with different styles for the different years, priced at \$249.99.

SHORTY ANTENNA

Do you find 30 inches of antenna distracting to your car's appearance? If so, you can now replace your Factory-installed long antenna with the MRT Shorty antenna (13.5-inches tall). Black in color and designed for an easy on and off install. No negative impact to radio reception. Fits Ford Mustang and may fit other vehicles with standard thread.

SHIFT KNOBS

Do you need an accessory to "rev-up" your Mustangs interior styling? Adding one of MRT's high-quality resin shift knobs is the perfect finishing touch to any style! The sleek grip and perfect finish complement the smooth and timeless ride of your Mustang. MRT shift knobs are available in a wide variety of styles and colors, enabling you to choose the perfect match for your car.

Available for 1979-2012 Mustangs; starting at \$44.99.

PUSH BUTTON START

Here is an easy upgrade that will really impress the passengers in your Mustang! It's a neat little mod that will allow you to start your car with a simple push of a button. Easy to install in your existing power port.

Available for all years; \$129.99.

REAR WINDOW LOUVERS

MRT's Rear Window Louver completes the natural lines of the 1994-2012 Ford Mustang without compromising visibility. The curvature of each louver slat is designed to produce a tight, flowing look and an arc that complements the rear window. Each slat is tastefully rounded for a muscular look that makes an aggressive statement without seeming pointy, gaudy or cheap. In addition, each slat features a smooth, seamless surface—free of rivets and protruding hardware.

Requires no sheet metal drilling or other modifications to your Mustang during installation. Louver Hardware Kit is included and provides you with the instructions and materials you need; 100% made and engineered by MRT in America.

Available for 1994-2012; \$336.99.

DESIGN FACTORY

Design Factory in Lenexa, Kansas, was started in 1970 as the Industrial Design office of Art Center trained designer Jim Gerdom. Since 1975, Jim has produced a catalog of Art and Products for Automotive Enthusiasts. We presently offer a series of limited edition automotive art prints. Limited edition Art Prints are on acid-free archival paper, individually signed and numbered by the artist.

A flat \$5 shipping charge applies to USA and Canadian orders, including US military, usually by Priority Mail or air mail. Special shipping is available at an additional charge. Shipping charge to other countries is \$10 for the first item and \$5 for each additional item shipped with it.

Visit Jim's website at www.designfactoryart.com, or call toll free at 888.268.9933.

2006 Shelby GT-H ©2006

The title block on this print says 2007. When I was preparing the artwork for printing I asked all of the Shelby people I knew, including the editors of some of the Mustang-related magazines, if the H would be an '06 or '07. They all said '07, so that's what went into the title block.

The successor to the legendary 1966 GT-350 "Hertz Rent a Racer" is available in a 12" x 24" Limited Edition of 2000. Item: DF-1023; \$40.

Kenny Brown XSR-95 Mustang ©1993

When information on the 1994 Mustang first came out in 1993, Kenny Brown, one of the top Mustang high-performance tuners, asked designer Gerdorn for some ideas on a super high-performance version, the XSR-95. One of his concepts was this drawing of a black coupe. With the cooperation of Kenny Brown Performance, we have reproduced Jim's sketch as this 22" x 36" poster. Item: DF-2001; \$10.

LATEMODEL RESTORATION SUPPLY

Latemodel Restoration Supply was founded in the fall of 1999 by Shannon Guderian with a mere \$7,000 and the desire to be the best supplier of restoration parts for 5.0 Mustangs in the industry.
