COLLECTOR CAR APPRECIATION DAY

At SEMA Action Network's request, U.S. Senators Jon Tester (D-MT) and Richard Burr (R-NC) co-sponsored Senate Resolution 513 designating July 9, 2010 as "Collector Car Appreciation Day." Enthusiasts across the country gathered to recognize the value in collecting and restoring historic and classic cars. Through the SAN, car clubs, enthusiast organizations, and affiliated businesses hosted more than 100 events in more than 40 states to commemorate the day from car cruises to small-business open houses and product giveaways. SEMA has partnered with Senator Tester and Senator Burr to introduce a similar resolution designating July 8, 2011, as the second annual "Collector Car Appreciation Day."
