

PAXTON SUPERCHARGERS

2011 5.0L BOOST

UP TO 1000HP

2011 5.0L Tuner kits are available with the NOVI-2200, capable of up to 1000HP on vehicles with modified engines.

Optional 3-Year/36,000-Mile Powertrain Limited Warranty available from Paxton Top-Tier Installers.

Optional 3-Year/36,000-Mile Powertrain Limited Warranty available from Paxton Top-Tier Installers.

The NOVI-2200SL complete charge cooled system features a self-lubricated supercharger with a remote fluid drain hose (attached to compressor) that allows for simple fluid changes without removing the supercharger from the vehicle. Integrated air/air charge cooler allows for additional horsepower gains.

NEW 1300HP NOVI-2500

The new NOVI-2500 features super high-efficiency and supports up to 1300HP at 30 PSI boost. Perfect for those EFI/Renegade racers and serious street cars. Available as an upgrade for all existing NOVI-2000 applications, plus a choice of clockwise or counter-clockwise rotation and curved or straight discharge.
