The National Head Judges and Judging committee announce the date and location of the 2011 Judges' meeting. The meeting will be held at the Waldorf, MD, Grand National host hotel, The Clarion Inn. The meeting is scheduled to start on Sunday September 4, 2011, following the Grand National awards' ceremony, will go into the evening. We will reconvene on Monday September 5 (Labor Day) at 8am and the plan is to have the meeting conclude no later than noon.

The Judging committee and National Head Judges are hoping that holding the meeting at this date and time will encourage greater participation by the general membership as well as the judging community. Another reason for holding it at this time is to save travel money for the judges and for show attendees who may have wanted to attend a meeting but otherwise could not.

The meeting agenda will be developed over the next few weeks. The National Head Judges are soliciting input from judges and members alike for topics for consideration. For suggestions concerning 1st and 2nd generation Mustang, Email Allen Stewart at ajstewart6@bellsouth.net. For topics concerning 3rd through 5th generation and modified Mustangs, Email Jim Silverman at mustanggt350@msn.com. Be sure the subject line of the Email indicates "MCA Judges Meeting 2011."

We need your input to improve the judging process and procedures. Give careful thought about areas of judging you feel need improvement and take a few minutes to Email Allen and/or Jim. If you cannot send an Email, then pickup the phone and call. All contact information is listed in the column to the immediate left. Both Allen and Jim reside in the Eastern time zone and would be glad to talk with any MCA member.

The information will be on the front page of the MCA web site, which will include a link to send suggested topics to the National Head Judges. See page 14 for a tentative schedule.

R. "Shorty" Brown
Chairman
Judging Committee
