### MUSTANGS OF MEMPHIS

The September meeting of the Mustangs of Memphis was held at the Ford Motor Company Service Training Center. Just the place for a bunch of Mustang enthusiasts to get together.

The meeting was called to order with everyone scrambling to get a seat and their name tag. The members then introduced their visitors.

Plans for the road rally Sunday were discussed and some of the members had questions which were answered by those who had been in a road rally before. There will also be a picnic at the home of Dan and Carmen Setlik after the rally. Everyone is looking forward to a good time.

A special note to all of the members of the Mustangs of Memphis, all of the present officers would like to extend their thanks for all of your support this year...so, thank you, thank you, thank you!

Please keep in mind that 1981 elections will be soon. We want the next year to be even better than this one.

With no further business, the meeting was adjourned.

Robin A May, Secretary

### NATIONAL CAPITAL REGION MUSTANG CLUB

Thirty-three members were present at the meeting held at Village Inn in Springfield, Virginia on August 19. New members recognized at the meeting were: Jim Bickings, Darlene Hurst, Bob Taylor and Mary Butters.

Since Bill McHugh was on vacation, Art Mullins gave the Treasurer's report. Highlights of the report were that we made \$205.38 on the show held in July. 46 new members have joined our club since our show.

Two spaces for the Carlisle, Pennsylvania flea market on October 3-5 have been purchased for the club. The spaces are numbers 28 and 29 and will be available to any member of the club at no cost.

President, Wayne Kvasnicka thanked everyone for the hard work done at the July show which was an unqualified success. Bill Ross, Jr., asked that a list of the trophy winners be published in the minutes. Since the list is so lengthy it was decided that the list printed in the "Quarter Horse" would be sufficient.

Happy Birthday was sung to Mary Butters!

Art Mullens showed pictures taken at the July show. Some were truly of blackmail quality, so see Art if you want to purchase a negative to keep it from falling into the wrong hands.

Wayne asked for suggestions for a September activity. The suggestions included:

1. Show at Glen Bernie, Maryland (Mustangs, T-Birds, etc.) on September 6, sponsored by Bob Bell Ford. Vendor spaces will be available, free. For further information, contact Bill Ross, Jr.
2. October 13-14, the Shelby Club is having an activity. Bill Ross, Jr. will know more about this later.
3. Kerry Bisehoff suggested a motor tour terminating in a meadow where our cars could graze.
4. Eddie Lyons suggestions was finally accepted. The September outing will be a picnic at Sandy Point

State Park preceded by a car caravan leaving Landover Mall September 14 and arriving at the Park at approximately noon. Bring your own picnic and beverages. Rain date will be September 21.

Art Mullins gave the Publicity Committee report:

1. Nine papers published articles about the July show.
2. Ads are needed to keep the "Quarter Horse" running at full gallop.
3. A donation to the Children's Hospital will be made from the car show proceeds in keeping with our pledge of community service and to maintain relations with the news media that has given us outstanding support.

No wonder our club is growing with guys like Art Mullins, the preceding was an editorial comment by the secretary!

The Judging Committee report was presented by Bill Cullins. Judging at the July show was discussed at length. The bottom line is that more people who are interested in becoming certified judges are still needed. If you want to learn more about the cars we all love, contact Bill (301) 577-7887 and get the details on becoming an expert Mustang judge.

Notes from the National Mustang Club of America were presented by Al Stewart. He compared our club's growth with other new, as well as established, clubs. We are now one of the largest clubs and have remained on a solid financial footing.

The guest speaker was Chuck Magaw who gave a brief presentation on preserving your car. He is a Tidy Car franchise holder in Waldorf, Maryland. Additionally, he displayed some wood plaques carved by a laser beam that he suggested would make beautiful trophies for future car shows.

There being no further business, the meeting was adjourned leaving empty pizza plates, beer and coke mugs and Mustangers kicking tires and telling lies.

Next meeting, October 21, 8:00 p.m.

Bill Richey, Secretary

### MUSTANGS OF BUFFALO

This was the first summer for The Mustangs of Buffalo and we really enjoyed it! Our first show that we participated in was an all-day Ford Show at D & E Motors in Williamsville, New York (sponsored by The Buffalo Birds Thunderbird Club). It was the first year this show had a class breakdown for Mustangs...64½-66, 67-68, 69-70 and 71-73. Four of our members took home trophies. Congratulations to Nadine and Ray Kelm, Greg Tzetzto, Bill Lewis and Mike Kelm.

The second show we had was the Seneca Mall Car Show sponsored by The Mustangs of Buffalo. It was a great success for our club...we more than doubled our membership! A show such as this is an excellent publicity tool to use for obtaining new members, especially for new clubs like ours.

The show had ten cars total, a '65 GT coupe, a '66 coupe, 2 '67's (one GTA fastback and one coupe), a '69 fastback, a '70 fastback, a '70 Boss 302, and two special interest cars. All in all, it was a great show. We thank all the members for their co-operation and everyone had a great time!

Our club government has had some changes as of our last meeting. Our Board of Directors has a new member...Lee Volo and the substitute Board Member is Cheryl Pawlik. Congratulations to both of them.

Well now, all of our members will be storing their cars soon for the winter and waiting for spring to come around again.

Mike Wojtowicz, Secretary

### VOLUNTEER REGIONAL GROUP

The regular monthly meeting of the Volunteer Regional Group began with the treasurer's report which was approved on Thursday, August 21st. Bob Murphy announced the beginning of a new Mustang Club in Morristown, Tennessee headed by Charlie Cross. Congratulations! We're sorry to lose the Morristown group, but wish them the best of luck.

Penny Owens announced the the Club's Christmas Party will be at the Westside Dinner Theater in Knoxville. She has made arrangements for the first Thursday in December. The meal will be delicious and the play is a comedy. The club will pay the fee from the show account..\$11 per person.

Bob Murphy told us again about the Seratoma Club's tricycle race and car show. Tony Evans, Doug Owen, Chris Scarborough, Chris Vandergriff and Gary Schultz volunteered for the race. Walter Eubanks is the lap counter. We'll set up Friday, August 22nd at 6 p.m. and rope off all the cars.

Doug Owen explained about the Classic Expo on September 19-21. We'll show as a club and need display ideas. This show will be balanced between rods, Mustangs, Antiques and Corvettes. Friday, Sept. 19th will be a car auction, then we set up for the show.

Doug also explained his ideas for classifying and judging modified cars in National shows. He had some copies and urged those interested to look them over.

Congratulations to Doug Owens and Walter Eubanks for their Best of Show and first places won in Atlanta.

Sunday, September 7th at Doug Owens' father's Chevron station, we will hold a membership drive. Everybody come help and bring your cars.

Mary Jo Thomas  
Secretary

### VOLUNTEER REGIONAL GROUP

Our regular monthly meeting was held on September 18th with our putting together and painting our barn front for the group's display in the Car Show Expo '90.

Then there was homemade ice cream and pie for everyone, even those who got painted themselves.

Bob Murphy then had a few announcements. For the Classic Car Expo '80, our club has a 50' x 120' space including a 10' aisle. The auction of cars starts at 2 p.m. Friday. We have to stay away from the auction and the cars in it. So let's get our supplies in before that time. We will all meet at 4 p.m. (or as soon after as possible) to assembly the display. Bring your cars with you. 17 are planning to come... the passes for each entry were given out with a t-shirt, too.

Next, there was an invitation from Charlie Cross of Morristown to join them for a picnic at the drag strip. The only charge is \$3 if you run your car... Mustangs only. Bring a picnic lunch. We should have a really nice time. We'll meet in Knoxville early enough on Sunday, September 27th to meet Charlie in Morristown then all drive up to the strip in Rogersville.

There was a discussion on memberships, new and old,

and participation in the club. Jim Runion needs judges for Mustangs for the car in Newport, The Kuntry Kar Show, October 3-5. We'll use the same group display and don't forget The Hillbilly Car Show on October 11-12. We will show as a group there too.

Next meeting, October 17th.

Mary Jo Thomas  
Secretary

### MUSTANGS OF MEMPHIS

On September 14th the Mustangs of Memphis gathered together for their first road rally. First, the people manning the checkpoints were sent out. The cars then were sent. The day was hot and the cars, one by one, checked in at the final check point and by this time, everyone was hot, thirsty and ready to relax.

The Home of "The Setliks" was the location for the picnic where everyone enjoyed good, good food and a time of fellowship. Later, awards were given to the winners of the Rally.

As the sun set, you could see many of the Mustangs driving off into the sunset.

Dear Editor:

### LETTERS TO THE EDITOR

Jerry Hessley brought up something in the last issue of "Car Exchange" and what he said was that Mustang clubs ought to accept Cougar enthusiasts and it sure sounds good to me.

The little Mustangs sure are great cars, but I guess it's the Cougar's looks that have me falling head-over-heels for them. You may already accept Cougars but since I didn't know, I thought I would beg and you might notice.

Comments on my letter would be appreciated.
