CARPETS**

NEW COLORS AVAILABLE

Fits 1964-68:
Moss Green, Ford Blue, Aqua, Ivy Gold, Dark Brown

NEW PRODUCTS:

80/20 Original Style Carpet
Made of full 27 ounce 80/20 rayon/nylon combination material, the same material used in the early model.

MUSTANG HEEL PADS

Produced from plastic compound in the original Mustang Molds and as close to 100 point as can be made.

- The finest MUSTANG molded carpet anywhere
- We guarantee that you haven't seen a MUSTANG carpet that will compare with ours
- Our tooling incorporates the latest and most advanced innovations in carpet molding
- All carpets molded and trimmed to fit your car just like the originals — Perfect fit means easy installation
- Installation experience not necessary with our carpet — Perfect results everytime
- We'll precut dimmer switch hole and gear selector if you prefer
- OEM quality, fit and appearance
- Full cut 30 oz. 1/2 inch underlay pad bonded to carpet
- Correct heel and toe pads
- Color matched serged edges
- Most all colors available
- We offer fastbacks with correct rear quarter cutouts, in the original fastback trimline and serged same as the originals
- We offer the folddown carpet in a diecut package which includes the small corner panels with serged edges. Each panel is diecut for precision fit and can be installed in minutes. No cutting or fitting required.
- Fastback carpets are available with or without folddown package. Folddown carpets are also available uncut.
- Custom molding with plush or cut pile in your choice of materials and colors

MANUFACTURER'S STATEMENT:

Auto Custom Carpets manufactures only authentic replacement molded carpet for your car. All of our carpet is professionally press molded, featuring one piece contoured sections in either 80/20 rayon/nylon loop or cut pile, with absolutely no sewn seams. Auto Custom Carpets are guaranteed to look and fit like the original.
